

Creamsicle cups

Foil

4 3 to 4 oz plastic coated paper cups

3 oz pkg orange jello

$\frac{3}{4}$ C boiling water

$\frac{1}{3}$ C orange juice

Ice cubes

4 oz cool whip

Cut pieces of foil long enough to wrap around cup and overlap slightly.

Fold foil in half lengthwise and wrap around cup extending up over lip $1 \frac{1}{2}$ in. secure with tape. Dissolve jello in boiling water. Place orange juice in 1 cup measuring cup. Add enough ice cubes to make 1 cup. Add OJ and ice to jello, stirring til thickened, about 5 min. stir in cool whip til blended. Spoon into each cup. Refrigerate til firm about 2 hours. Remove foil.
