

Pastel cake

1 pkg yellow cake mix
1 small pkg lime jello (4 serving size)
1 small pkg lemon jello
2 8 oz cartons cool whip

350 deg

Prepare cake mix as directed. Divide batter into 2 bowls. Add lime jello to one, lemon to the other. Stir thoroughly. Pour each into cake pans. Bake 28-30 min. cool 10-15 min, then remove from pans. Cool on wire racks. Place lime layer on serving plate. Spread with half a carton of cool whip. Top with lemon layer. Frost with remaining cool whip. Keep refrigerated.
